## INSURANCE

By affiliating with Athletics NSW, your club will have public liability insurance. You will be provided with a certificate of currency and be covered for all events your club hosts. Members can obtain personal accident insurance covering them for any accident occurring at training and events. This avenue for insurance can result in cost savings for your club.

## ATHLETE ADVANTAGE PROGRAM

Athletes can access discounts on a wide variety of products. For details [click here](#).

## DATA BASE - PORTAL

As an affiliated club with Athletics NSW, your club will be set up with its own IMGSTG Portal. There is absolutely no extra cost!!! Some key features of the IMG system are below.

### EVENT DESQ

Online management of events designed as a fully integrated online event management system. Whether your event has 50 runners or 10,000 you can set up events and have all your entries and payments go through the ease of an online system.

### MEMBER DESQ

IMGSTG's online membership management system is an industry leading, cloud-based platform specifically designed for athletics and running events. You can have all the members of your club join through your online portal or manually enter them yourself. Also, keep your members up to date with club events and social gatherings by sending communication through the IMG system.

### SHOP DESQ

Through Shop Desq you are able to sell any of your club products from club uniform to timing chips. Have your products such as uniform and sizes on display and allow all of your members to purchase them on line. If you are hosting events such as award nights or social functions, you are able to sell your tickets on line as well.

### ONE SPORT PROFILE

This enables you to provide every member with their own profile in the system to which results can be imported. Athletes will then be able to see all their past results summarised in one place.

Affiliation with Athletics NSW means access to all the above services for the one price.
